

# Noyo News

## Noyo Chapter

American Rhododendron Society  
September 2019, Addendum

**Wed, September 18, 7:00**

*Presbyterian Church, 367 So. Sanderson Way, FB*

## September Reminders

Here are a few reminders for the September Meeting.

- \* The Meeting starts at **7:00 on Wed., Sept 18**. This is a week earlier than usual. As usual it's at the Presbyterian Church in FB.
- \* Besides our Chapter business and a presentation by Dennis McKiver, a highlight of the meeting promises to be the **Dessert Potluck**. It's not too late to put together a little treat to share.
- \* It greatly reduces the work required by Fran Steinhardt, our membership person, if you **get your renewal** to her before she feels the need to contact you. Bring it tomorrow to the meeting.
- \* An important item of business at this meeting will be the **proposed Budget** for the year. Take another look at it to see if you have some questions or suggestions for our Board of Directors. (See below.)
- \* Dennis McKiver, our speaker, is always welcome to **answer any questions** you have.

In case you're new to the Chapter, or if you have issues with remembering names, here are your Noyo Chapter Officers.

(top, left to right)

**Ted Steinhardt**, President

**Dennis McKiver**, Vice President

**Ben Nicholson**, Treasurer

(left)

**Judy Parker**, Secretary, (right side)

(with **Fran Steinhardt**, membership)

## Some Fall Activities to Consider

\* Fall is a desirable time for planting or transplanting. The plants have their established foliage and the need for watering is less. The roots have time to grow and get ready of the more water-needy time next spring as the new foliage comes out. Dennis will be able to answer any questions you have about this.

\* **Don Wallace** from the Singing Tree Nursery in McKinleyville writes a very good newsletter. Each issue includes some tips for the week. Recent issues have included timely suggestions for:

- mulching,
- using weed mat,
- planting in the shade,
- nematodes for controlling the black vine beetle.

If you'd like to see his free newsletter (and sign-up for it) try this site.

<https://www.singtree.com/plants/specials>

Don will be our March speaker.

\* Join the monthly Chapter **workday** at the Mendocino Coast Botanical Gardens. Check with our president Ted Steinhardt for details.
